ADD TO YOUR SERVICE

4 oz. Placenta Tincture - \$25.00

Placenta Tincture is made from a piece of the mother's own raw placenta after birth, steeping in alcohol making a strong remedy over 6 weeks. It is said that placenta tincture is used for emotional, mental and psychological instability and may also be very beneficial for treating PMS and menopause. A liquid extract of your placenta; Using the finest 100% Proof Alcohol such as Gin, Vodka, Tequila. Your tincture NEVER expires!

Cord Keepsake - \$10.00

To honor and treasure the umbilical cord it can be dehydrated into a charming shape and kept for a lifetime as an Umbilical Cord Keepsake. The umbilical cord can be shaped into a heart, small "love" knot, or other desired form and kept as a keepsake for nursery decoration, scrapbook, etc.

Colored Placenta Print- \$7.00

All colors are safe for consumption food grade dyes. A colored placenta print is using your baby's placenta to make a print on paper. If you are doing a blood print, you won't need to add color at this step. Honor your placenta with fun creativity! Choose your color combination. All colors are safe for consumption food-grade dyes.
